

TWU Election Committee
Supplemental Election Notice No. 8

REQUESTS FOR DUPLICATE BALLOTS

Request for duplicate ballots, or calls about ballots not received, will be taken starting Monday, November 22, 2021. Such calls should be made to the American Arbitration Association, at 800-529-5218. Only the member who seeks a new ballot may make such a call.

Written requests for a new ballot/replacement ballot can be submitted to the Election Committee at elections2021@twulocal100.org. Such request must be signed by the member requesting a ballot.

All members making requests will be sent a ballot, whether or not they are in good standing. A member who is not in good standing can have their good standing restored by paying any back dues on or before December 7, 2021. Call 212-873-6000 and ask for a dues officer if you want to check to see if you are in good standing. Only 6% of the membership is not in good standing.
