If your request for FMLA is for your own or a family member with a serious health condition, a medical certification is required. Therefore, please visit the BSC Portal (www.mtabsc.info) to download the applicable FMLA application and medical certification listed below:

The policies and forms can be downloaded from the BSC Portal (www.mtabsc.info). An employee must request FMLA leave 30 days prior to the start of the leave, unless such notice is not practicable, in which case, the employee must provide notice as soon as possible.

The FMLA provides eligible employees with up to 12 weeks of unpaid leave for the following reasons: (1) incapacity due to pregnancy, prenatal medical care or childbirth; (2) to care for a child after birth, or placement for adoption or foster care; (3) to care for a spouse, child, or parent who has a serious health condition; (4) for the employee's own serious health condition that makes them unable to perform their job; and (5) to address certain qualifying exigencies if a spouse, child or parent is on active duty or called to active duty in a foreign country. The FMLA also provides up to 26 weeks of leave to care for a covered service member who has a serious illness or injury under certain circumstances.

If you have any questions about FMLA leave, please contact the MTA Business Service Center at (646) 376-0123 or bscservice@mtabsc.org.
