

Dear Riders, your transit service is being **HIJACKED** – by the MTA!

Hey, Brooklyn!

# On June 27, these buses are being hijacked – by the MTA!

The MTA has ARRA Federal Stimulus money to save your bus service. They just won't spend it.

Their priorities are huge capital mega-projects, while our neighborhoods get shortchanged again.

Call

**212-878-7000**
