

CANCER PREVENTION STUDY-3 *YOU ARE INVITED*

Have you been impacted by cancer, whether it be yourself or a loved one?

Are you passionate about helping to discover better ways to prevent, treat, and hopefully cure cancer?

Whether you are a cancer survivor, caregiver or just interested in creating a world with less cancer, please join us to learn more about how you can make a difference by supporting this once-in-a-generation, historic research study!

CPS-3 Brooklyn Kick-Off!

**Tuesday, March 19th, 2013
17 Eastern Parkway, FL 3
Brooklyn, New York 11238
7:30 AM-9:00 AM**

Breakfast and Registration will begin at 7:30am. The one hour program will begin at 8:00am.

For nearly 60 years, the American Cancer Society has conducted some of the world's largest research studies to understand how cancer develops in a population, identify the causes of cancer and ultimately learn how to prevent it. This year, the Brooklyn Community will have the unique opportunity to be a part of history by participating in this ground breaking Cancer Prevention Study (CPS-3). At this kick-off press conference, you will learn more about CPS-3 Brooklyn and how you can make a difference and create a world with less cancer and more birthdays.

RSVP by Friday, March 15th
718.622.2492 x5120 or latoya.williams@cancer.org

For information about CPS-3, visit www.cancer.org/cps3 or call toll free, 1.888.604.5888.
