

WE STOOD UNITED AND WON

VOTE YES!

TWU Local 100 is urging Career & Salary and MTA Bus members to *vote YES* and ratify the tentative contract agreement with the MTA that will deliver annual raises, full retro pay, and other gains.

This is a good contract, a solid contract, that the TWU Local 100 Executive Board overwhelmingly approved to be advanced to you for ratification.

ALERT: A misleading and possibly illegal message with the TWU Local 100 logo is being circulated against the contract. This is a misrepresentation, a fake, and not from TWU Local 100.
