GO GET TESTED!

TWU Local 100 urges members to take advantage of free testing at the 52 Northwell Health-GoHealth Urgent Care locations throughout the region. They are open from 8 a.m. to 8 p.m. weekdays, and 9 a.m. to 5 p.m. weekends.

Getting the MTA to test and screen thousands of Local 100 members a week for COVID-19 was a top priority for TWU Local 100. Experts agree this will help identify and quarantine members who are sick but not showing symptoms, and help defend against the infectious virus.

Check Local 100 Facebook page and website regularly for changes and updates on testing.
