

YOU NEED A FULL SERVICE UNION TO REPRESENT YOU ON THE JOB, AND TAKE ON THE COMPANY AT THE BARGAINING TABLE

GCS is a hostile employer that shoots first, and doesn't ask questions. You need a union to take on the boss on the job and in contract negotiations. TWU Local 100 has dealt with the most antagonistic employer in New York, the MTA, for decades. We will take on GCS, and win for you.

TWU Local 100 is a full service labor organization that will defend your rights on the job, protect your safety, and fight for better contracts and conditions of employment. Our professional staff and service departments are valuable resources in helping the union's leadership to successfully promote and defend you and the 40,000 workers in the Local 100 family.

Our service departments include:

Training

We regularly conduct shop steward training and other educational programs to assist officers in properly representing their members.

Safety

Our safety representatives are on call 24 hours a day seven days a week to ensure safe conditions of employment.

Grievance & Discipline

We aggressively defend our members against unfair discipline, fight to ensure that our contract is not violated by management, and maintain a full library of past grievance cases for future reference.

Scholarships

Upon joining Local 100, your children will immediately be eligible to participate in our College Tuition Scholarship Program.

Legal

We have seven full time staff attorneys and a para-legal to represent our members in hearings, arbitrations and other legal proceedings regarding their jobs.

Research

We provide outstanding economic research to assist our negotiating committees during collective bargaining.

Workers Compensation

We help our members with all their needs regarding Workers Compensation claims and benefits.
