# **Why Union?**

As an employee of GCS, you provide a vital service to the City of New York and the MTA.

Thousands of New York's elderly and disabled citizens depend on YOU to arrange transportation for their most important appointments.

You deserve a fair wage for the important job you do. A few cents more than minimum wage is not nearly enough.

You deserve to work in a friendly environment, free of management intimidation.

You need the ability to challenge unfair discipline.

***TWU Local 100 is  
Ready to Fight for You!***
