TWU Women's Committee Launches Drive for New York City's Homeless

Homeless shelter in upper Manhattan.

New York's homeless are in need of many, many things. But among the most needed, and often least available, are socks and toiletries such as wipes, soap, and bath products.

The Local 100 Women's Committee is launching a job-site drive for these items, which will be delivered to reputable agencies that distribute goods to the homeless.

Clearly marked boxes for the purpose of collecting these items will be placed by the TWU Women's Committee at as many worksites as possible.

The drive will begin SEPTEMBER 24, 2018.

The donations will be collected on Friday, November 23, 2018 at every work location Celebration for the donations will be held at the Local 100 Holiday party, the holiday party will be announced soon.
