

Hear what New York's Progressive Leaders have to say about TWU Local 100...

"TWU Local 100 is a real champion for its 40,000 members. In my experience in Albany, I've seen how Local 100 has the power to mobilize their members and win major legislative victories for bus and subway workers across New York."

State Senator José Peralta

"I'm very proud to stand shoulder-to-shoulder TWU Local 100. Your union is one of the finest examples of an organization that fights tooth and nail for its members. For this reason, my colleagues and I in the Assembly have a great deal of respect for TWU."

State Assemblyman Karim Camara

"I love TWU Local 100. My father is a retired Car Inspector. I would not be who I am today, as a Member of the New York City Council, without the benefits that TWU Local 100 secured for me and my family. I am deeply grateful to be a part of the TWU family."

Councilwoman Julissa Ferreras

"For more than 80 years, TWU Local 100 has been remarkably effective at advocating for a better quality of life for transit workers everywhere. But above all, Local 100 stands up for all New Yorkers in all walks of life."

Councilman Jimmy van Bramer

"TWU Local 100 amplifies the voices of the hardworking men and women in New York. As the Co-Chair of the Women's Committee, I particularly appreciate TWU's dedication to improving workplace standards and quality of life for female transit workers."
