# **PROTECT YOURSELF**

## **PART 2**

### **Know Your Rights !**

If management calls you in for an

**Inspector General's** investigation **DO NOT go by yourself.**

Here's what you **MUST DO TO PROTECT YOURSELF** when management informs you that the Inspector General wants to interview you:

**IMMEDIATELY**, call your LES officers:

**John Chiarello** - 646-498-3738

**Duvet Williams** - 646-874-0047, or

**Duane MacMenamie** - 646-879-0005

**Mario Galvet** - 646-879-1960

Your union officers will arrange for a union-paid attorney who will represent you during the investigation.

Please note that a union representative cannot be involved in the interview process with the IG, because it is a criminal investigation.

That is why you need one of our union-paid lawyers to go with you.
