## APRIL 29: THE BIG PUSH FOR VETERANS' PENSION REFORM

TWU Veterans and supporters will be returning to Albany to fight for Bill A.6974/S.4714 asking for equal benefits for all Civil Service Veterans. TWU Veterans are fighting to bring equal benefits to our Military Veterans regardless of time period served or gender.

The current New York State law discriminates against women Veterans because it does not allow them to obtain pension credit for time served as women were banned from combat, women could not qualify for the pension buy-back credit, and some male veterans were disqualified as they did not serve in certain conflicts.

Since last year there has been massive bi-partisan support to our TWU bill. TWU Veterans inspired this bill. Our bill is moving and needs your activism to help get it over the top. So join us for Veteran's Lobby Day, April 29. Your time will be well spent. If the bill passes you will receive up to three years towards your pension. That's more money when you retire and in some cases less time needed to get to 25 years to retire.

**TWU VETERANS' POSITION:**
**ALL PUBLIC SECTOR HONORABLY DISCHARGED VETERANS, MALE OR FEMALE, DESERVE EQUAL PENSION BUY-BACK BENEFITS!**
