

Celebrating Achievements Rewarding Excellence

Medals of Excellence

Heroism for employees who perform specific acts of bravery on or off duty in the face of extremely dangerous circumstances that easily could have resulted in personal injury or even death.

Commendation for job-related acts involving personal risk or requiring exceptionally good judgment. The employee's decisions and subsequent actions indicate that, without quick thinking and corrective measures, highly undesirable and dire consequences could have resulted.

Distinguished Service for employees who have demonstrated outstanding efficiency that reflects the highest standards and ideals of a dedicated public employee.
