Station Department, Executive Board Member Election

NOTICE TO ALL LOCAL 100 MEMBERS NOT IN GOOD STANDING

In accordance with the Constitution of the Transport Workers Union of America and Local 100's By-Laws, the election to fill one vacancy of an Executive Board position in the Station Department, (who will also serve as Convention Delegate) will take place by secret mail ballot mailed out on **Wednesday, July 19, 2017** to all those who are members of Local 100 in good standing as of July 1, 2017. Ballots will be counted on **Wednesday, August 9, 2017**.

Some members were not able to vote in the last election because they still owed dues. (This may have been because even though they are now paying dues, they missed paying dues in the 2007-2008 time period, which leaves them currently in "bad standing.") If you are in this situation and you wish to vote in the upcoming election being conducted on **Wednesday, August 9, 2017**, we would certainly welcome your return to good standing membership. **If you can pay the full amount due before July 1, 2017, you will be eligible to receive a ballot when ballots are mailed out to the eligible membership (on July 19, 2017).** If you pay up your owed dues after the ballots are mailed out to the eligible membership, you will be able to request a ballot and vote by contacting the Election Committee at **(212) 873-6000 extensions 2090**, no later than **3:00 p.m., on Thursday, August 3, 2017**. You can contact the Dues Office in person or by telephone at (212) 873-6000 to find out what you owe.

Local 100 also has a program where you can pay your back dues over time, basically at the rate of one extra dues payment per pay period. It is an almost painless way of restoring your ability to fully participate in the union, such as being able to vote in elections, vote on contract ratifications, and receive various union benefits which you can find on our website (www.twulocal100.org). Please speak to your shop steward or union chairman if you wish to participate and fill out the necessary forms.

Please note, however, that participation in the payment plan will not result in you being able to vote in this upcoming election unless you pay your owed dues in full.
