HEALTHPLEX Preferred Provider Organizations (PPOs)

THE VALUE IS IN THE NETWORK!

Go Green!

Get the most accurate information and reduce paper consumption at the same time by accessing dentist information online. Visit www.healthplex.com and click on “Our Dentists,” then “PPO Panels.”

Fully Credentialed Panels

Healthplex is fully certified as a Credentials Verification Organization (CVO) by the National Committee for Quality Assurance (NCQA) in ten-out-of-ten verification services. CVO certification includes rigorous on-site evaluations conducted by a team of health care professionals and certified credentialing specialists. Achieving CVO certification from NCQA demonstrates that Healthplex has the systems, process and personnel in place to thoroughly and accurately verify providers’ credentials.

Network Benefits

Thank you for selecting a Healthplex PPO Panel! Each Healthplex PPO includes general dentists and specialists in every specialty area. Our network dentists have agreed to accept fees from 40-70% less than usual, so you will almost always save money when you see a participating provider.

You are responsible for payments to the dentist for services that are not covered by your dental plan including:

- Deductibles
- Copayments
- Services that are not covered
- Denied services
- Cosmetic upgrades

Your Dental Plan

Find out more about your dental plan by checking your summary plan description and/or by logging-in at www.healthplex.com. If you need assistance registering or logging-in please call Web Support at 888-468-5171.

The dentists listed in this directory are independent contractors and are not employees of Healthplex, Inc. While these dental offices have been credentialed to the highest standards, Healthplex is not licensed to provide dental services and cannot be responsible for the dental services rendered by participating dentists.
