Director's Letter

by Mike Tutrone,
Director, TWU Local 100 Retirees Association

I am happy to announce that at our last executive board meeting a couple of changes were introduced and passed in our quest to improve the lot of TWU Retiree Association members.

Change number one was that Effective June 1, 2019, all the benefits in our Hospital Stay Program will be doubled, the weekly hospital income will rise from \$150.00 to \$300.00 per week, and all other benefits will rise accordingly.

Change number two is that the Retiree Association will now cover the cost of your Defensive Driving course, see the listing of classes here at the Union Hall. For those of you who are unable to take advantage of the classes at the union hall, merely send us a copy of the course completion certificate and a copy of your payment receipt and we will reimburse you. This benefit is capped at \$25.00 per member, spouse is included if you have a family membership.

Mike Quill Film

Thanks to all, who have contributed to the MIKE QUILL documentary film that is being produced and directed by Macdara Vallely (See the page inside this newsletter).

Our efforts are ongoing to aid in the completion of this project, so there is still time to contribute to this deserving effort if you choose.

CONTRACT

The contract expired on May 15, 2019, we have asked President Utano to seek an upgrade in our retiree Vision benefits, which were last upgraded over 35 years ago. We have also asked that he seek to secure a transit pass for the MTA Bus retirees and cooperation from management in getting a bill passed to get the pension contribution refund for those who retired before 12/15/2005. As of this edition going to the printer, the contract is still in negotiations.

Prescriptions

By now everyone should have received their new prescription cards from CVS Caremark, if you have not received them call the MTA BSC at 646-376-0123 and request a new card. The big take away here is that the only thing that is changing is the name of the provider, the plan remains exactly the same.

Project

We are attempting to create a retiree orientated wall here at the union hall, so at this time we are asking that you send in any items that you would care to contribute to the project, old badges, pins, flyers, pictures, anything of that nature would be greatly appreciated.

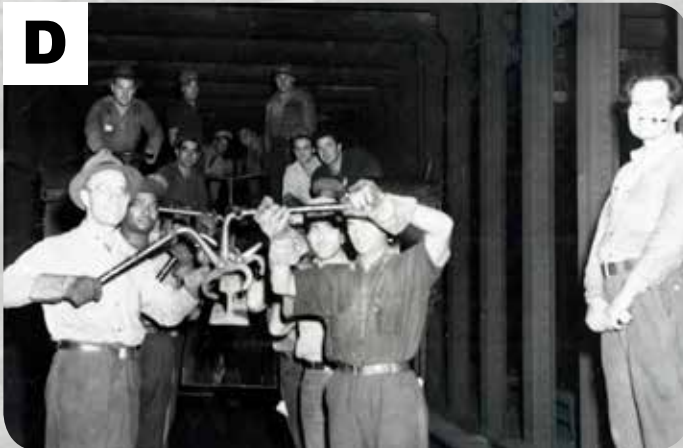

Have a great summer !!!

On the Job **Back** *in the* **Day!**

Here's a few photos from the TWU historical archives.

If you were around in those days, it's pretty clear working conditions were not the best. We didn't have a lot of identifying information for the photos, and would only be guessing as to the years and locations.

If you recognize the location, drop us a line at the **TWU Retirees Association**, 195 Montague St., Brooklyn, NY 11201.

A

This photo is from 1962. He is Louis Asnicar, a Bus Maintainer. Photo taken at the Crosstown Depot, Brooklyn.

D

Year unknown. Track equipment for carrying a length or rail hasn't change much to this day.

B

The image appears somewhere at Grand Central (at least that's what is apparently stenciled on the support beam). We're guessing late 50's or early 60's.

E

Year unknown, location unknown. But the name of the Operator aloft is Joseph McGiveney.

C

This is a shop gate meeting, probably outside a car barn, in 1947.

Letters to the Editor

Dear Retirees Association:

Just to let you know that I am making this contribution in honor of my late father, Vernon "Jack" F. Bowman. He was a Bus Operator out of the Flatbush Depot in Brooklyn. He retired in 1969 after 40 years of service. He often told me he would "kiss the grave" for what Mike Quill did for the workers in helping create this union.

Fondly always,

Gary Bowman
Brooklyn, NY

Thank you for your efforts on behalf of Mike Quill. Please keep me updated on the progress of the film.

Joseph Cordova

Enclosed is a check to support the Mike Quill film. Must say, Mike Quill was a great courageous leader. I can't wait to see the film. All the best for the union's future.

H.M. Clarke
Bronx, NY

I am third generation TWU Local 100. My grandfather was one of the original members at Mike Quill's rallies. My father was a 25-year SMA. And myself, I have 32 years as an SMA.

Sincerely,

Thomas Kaps

I am glad to help in such a good cause. Mike Quill made it possible for me to retire with a pension and health care.

God bless TWU and Mike Quill.

Mark Mallarchi

Enjoying 33 years of retirement thanks to Mike Quill. I was known as the "Singing Bus Driver," as I sang the National Anthem at many TWU conventions.

Best,

Daniel Finnegan

I am proud to support the "Mike Quill: Which Side Are You On" film. Thanks to Mike Quill for everything.

L. D'Mendiratta

What a wonderful idea. This is for a great man for the great work he did for his fellow man, and making our lives 100 percent better. And I thank the union for the \$5,000 college scholarship for our daughter 30 years ago. She is a high school math teacher in Maryland the last 23 years. So thank you again. God bless Michael Quill.

Eugene Bynes

My retirement from NYCT at the age of 58 has been a blessing because of the union founded by Mike Quill and the struggles that he and his associates endured. It is the reason that I have lived the "Life of Reilly" in Florida.

There are no such things as pensions anymore. I thank a union like Local 100 every day.

Yours truly,

H.J. Nieves

My father, Charles Wechworth was an organizer for Local 100 in 1952. He became a 2nd Vice President to Quill in 1958. He was with Quill in jail during the 1966 strike. He said they enjoyed playing cards. My father told me Quill enjoyed calling Mayor Lindsey "Lindsley" on purpose to piss him off. When Quill died in early 1966, my dad drove a station wagon with Quill's casket in the back as funeral workers were on strike. I still have the placard from the car as my father passed away in 2000. He left me many papers from the union from the 50's and 60's. I am a retired Bus Operator with 40 years of service.

Roger E. Wechworth

We need more Mike Quill's in the world today.

Toney Chavis

Mike Quill was a great man, and he's still a great man.

A. Minone
Staten Island, NY

Thank you so much for my pension and medical benefits. Thank you for fighting for my pay raises and better job conditions. Thank you for my weeks of vacation and personal days. There is so much to be grateful for. I thank God and especially St. Patrick's Cathedral, where I

went to pray with my mother, Mary, as a little boy. I'll say it now as I said it 2010 when I retired. The TWU is the best team I worked with in my life. Good luck with the Mike Quill film. I sure would like to see it.

John Rosa

My father, Joseph Kaufmann, dedicated his life to the welfare of Bus Operators in the Bronx. For many years he was a Bus Operator for the Surface and then MABSTOA companies. He was elected Chairman for transportation in the Bronx and many years later was appointed Union Organizer. He worked with many dedicated union leaders, and was a close friend of Mattie Guinan (Local 100 and International President). My dad attended the famous 1948 Convention in Chicago. He proudly stated, "we threw out the commies."

My father had two framed pictures on his bureau, one of my mother, Ruth, and the other of Mike Quill. He wore his union button at his funeral. The bottom of his stone at St. Raymond's Cemetery reads, "Union Organizer - TWU."

I am submitting a check for the Mike Quill film in honor of all those who fought for the members of TWU.

Sincerely,

Ruth Brosnan

I wish to help with this worthy project that will define Mike Quill as "the world's greatest labor leader."

I have a key chain I got at the TWU's 13th Convention. One side of the key chain is a likeness of Quill. The reverse side is engraved, "In Memoriam to Michael Quill, International President, 1934-1966." I have carried this key chain all these years for a "bit of luck," and to honor a great man who made decent wages, benefits and pensions possible.

Sincerely,

John Healey

RETIREES TURN OUT IN NUMBERS TO HELP QUILL FILM PRODUCTION

The Retirees Association sent out a mailing in March asking for Local 100 retirees to help out with the making of a full length documentary film on TWU founder, the great Michael J. Quill. Retirees responded in typical fashion, rallying around the cause and sending in contributions of between \$5.00 and a couple hundred. We also asked retirees who had special memories or interactions with Quill to send in their contact information. Many did.

Filmmaker Macdara Vallely has begun calling those retirees, and reports back that there is a treasure trove of material that might be used in the film.

The name of the film is "Mike Quill: Which Side Are You On?" That name was chosen because it is the title of a famous, fighting union song that Mike loved, and that was performed by folk singer Pete Seeger at his memorial.

To date, Vallely has produced a beautiful, emotionally charged trailer that provides a window into the kind of breakthrough documentary the Quill story can be.

You can view it at: www.mikequillfilm.com

Retirees who missed the mailing and who would still like to contribute can do so by filling out the "card" on this page and sending it in to the Retirees Association.

The Mike Quill Film Is endorsed by:

TWU Local 100
Retirees Association

TWU Local 100

TWU International

We are trying to keep the great Mike Quill's legacy alive and well for this and future generations of workers, all of whom have benefited from Mike Quill's courage under fire.

If you wish to help, please fill out this card and send it along with a check to:

John Meehan, Former Retirees Director, Passes

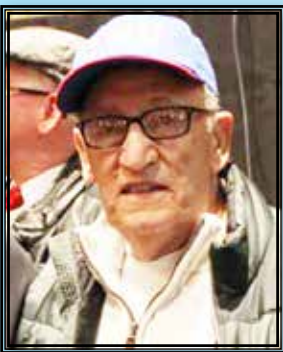

John Meehan, retired Director of the TWU Retirees Association passed away on April 15, 2019 after a long illness. He was 80 years old.

Born in Brooklyn in 1938, John was a veteran of the United States Marine Corps and was aboard an aircraft carrier off the coast of Cuba during the Bay of Pigs invasion in 1961.

After leaving the Marines, he started with TWU as a MABSTOA Bus Operator at the 54th Street Depot, and later at the Hudson Pier Depot.

He served as the elected Vice Chair and Chair at Hudson Pier, and served as a Local 100 Staff Representative for MABSTOA Division 1.

He also served as Director of the Retirees Association until his retirement in 2002. After retirement, he and his wife, Sandy, moved to Cape Coral, FL.

Local 100 Mourns the Passing Of Ralph DiSpigna

The TWU Local 100 Retirees Association is mourning the death of Ralph DiSpigna, retired Director of the TWU Local 100-NYCT-MABSTOA Health Benefit Trust, and a member of the Association since retirement.

He was 87 and had retired in 1998 after 19 years as Director of the Trust. Prior to that, he had served as Director of the Local 100 Retirees Association.

Ralph started as a Bus Operator at the 54th St. Depot in Manhattan. He served as Vice Chair there, and then as Chair of the Hudson Pier Depot after the closure of 54th Street.

In 1973, Ralph made a cameo appearance in the action full length movie, the *7 Ups*, with Roy Scheider. He didn't even have to dress in costume. The scene had the film's hero getting on to Ralph's bus.

Joseph Castorina, Queens Private Lines VP, Passes Away

Joseph "Joe" Castorina, a union stalwart from the former Queens Private Bus Lines Division, passed away on January 10, 2019 at the age of 88. He had retired in 1995 after a great career representing his co-workers.

He came out of the old Triboro Coach Company as a Bus Operator. He served in numerous section and Division offices. At retirement, he had been the union's Vice President for the entire Division responsible for, among other things, negotiation of contracts for all Depots. He led the union's campaign for parity for the Private Lines with TA and OA.

He served his country in the United States Navy prior to joining Triboro Coach.

He is survived by his children, Patti and Marty Murphy and Donna and Lou Strasheim. He was the adored "Pa" of Nick, Jackie and Tom, Jamie and James, Joe and Kristen, and Julie. Proud new great-grandpa of Rae.

He will be greatly missed by all in TWU who knew him, and whose many lives he touched on and off the job

REVISIONS IN PENSIONS

There are a few reasons, why your pension would or should be revised. The first reason is obvious. The Retirement system either NYCERS or MaBSTOA discovered they made a mistake or you proved to the respective system that they made an error.

The second reason your pension would or should be revised is when you retire after a labor contract has expired and before it has been ratified.

In this case, if a wage increase is granted retro to the expiration of the old contract, then you the retiree; would be entitled to a contract increase from the expiration or rather the beginning of the new contract to your retirement date.

When the contract is ratified and you subsequently receive a check representing the back money owed to you from the effective date of the new hourly rate to your last day of pay(day before retirement date), you should make a copy of the check and bring it to your retirement system and request that NYCERS or MaBSTOA check to see if the retro check effects your Final Three Years Average(FAS).

If your best FAS is the last 36 months, the retro check will definitely increase the FAS and cause the respective retirement system to revise your pension retroactively to your retirement date.

If you FAS was 3 consecutive calendar years, the retro money can possibly make the last 36 months better and therefore cause a revision in your pension.

The bottom line is, when you receive money from your employer after you have retired, make sure NYCERS or MaBSTOA gets a copy of the check with a request from you, the retiree, asking that the retirement system look into the possibility as a revision in your pension. Don't depend on the retirement system to automatically do it.

The 3rd reason your pension would be revised is if you retired with an outstanding loan balance and now you pay it back. This is a subject for another newsletter.

RETIREE

Andy Brewer
A RESPECTED MEMBER OF THE
LAS VEGAS
GOLFING COMMUNITY

Andy Brewer toiled behind the wheel of a MABSTOA bus for 21 years until his retirement in 1999. Time to relax, right? Wrong.

Andy, a member of the TWU Local 100 Retirees Association, seems to be busier these days than when he was on the job.

He is spending his retirement years in Las Vegas, which among other things, is a golfer's paradise. That's a good thing since Andy is an avid golfer.

Originally from Georgia, Brewer developed a love for golf working as a caddy at a local course to earn extra money. He began playing golf in high school.

He was an exemplary high school athlete, playing football, baseball and basketball.

In 2011, he founded Andy B. Golf, an organization that hosts annual golf tournaments to raise funds for college scholarships to be given to underprivileged youth in the Las Vegas and surrounding areas.

Alongside his role with Andy B. Golf, Mr. Brewer is the founder of the Civil Service Basketball League in New York. He is active in the NAACP and is a freelance writer for the African American Golfer Digest, which has featured 8 of his articles.

Last year, Marquis Who's Who, the world's premier publisher of biographical profiles, presented Andy with the Albert Nelson Marquis Lifetime Achievement Award for his many charitable and community activities.

He was inducted into the Multi-Ethnic Sports Hall of Fame as well. On top of all his other activities, Andy wants to write a book someday. We're sure the chapter on his days on the buses will be the most exciting.

Andy is the proud father of two children and five grandchildren. On top of all his other activities, Andy wants to write a book someday. We're sure the chapter on his days on the buses will be the most exciting.

Army Vet John Dolan Served His Country and His Union

John Dolan is enjoying his retirement years in his beloved homeland of Ireland. So he can be excused for missing our Senior Buzz edition of this time last year that focused on retirees who had served America in the armed forces. John's daughter, Laura saw all the great photos of the retirees "then and now" and wanted her dad recognized as well.

We are happy to oblige.

John served in the U.S. Army from 1952-1954 in the 44th Field Artillery, A Battery and was based in he Corn Barracks in Swineford, Germany. After his service, he joined the Fifth Avenue Coach Co. in 1954 as a Bus Operator. Laura says that her dad "always talks about his days on the buses and the union and all it has done for its members over the years."

John proudly walked the picket lines in the "great strike" of 1966, the union's first city-wide bus and subway strike, which lasted 11 days and resulted in breakthrough wages and benefits for the membership.

John also walked the lines in the 29-day bus strike in 1962 that lead to the creation of MABSTOA. He continued to work until 1976 when he retired. Laura says that dad "still has his bus uniform from the 70's in his closet."

John's favorite picked run was the M4 from the Cloisters in Fort Tryon Park to Penn Station, one of the longest in the system.

For all my fellow Viet Nam veterans, I remind you that the Children's Health Care Bill S.901 which addresses children's health care, passed in December 2016, is now law. The VVA (Viet Nam Veterans of America) will continue to monitor the VA on this important issue. For those of you wishing to keep up with this issue can call the VVA at 1-800-VVA-1316 or log onto their website at "vvaveteran.org".

Below is an article that may be of interest to disabled vets:

Many Disabled veterans could receive a tax refund

Some 130,000 veterans received notice last July that they may be eligible for federal tax refunds that they paid on disability severance pay.

The IRS notice was a result of the Combat-injured Veterans Tax Fairness Act (Public Law 114- 292), which was passed in 2016.

It affects veterans who received disability severance payments after January 17, 1991 and included that payment as income in their tax returns.

The veterans who received notice have one year to file an amended return with the IRS. Claiming the standard refund is considered the most simple method for getting a refund.

Other veterans who did not receive a notice may visit www.dfas.mil/dsp..irshtml for more information. Until next time--- Phil

A Veteran-whether active duty, discharged, retired or reserve- is someone who, at one point in their life, wrote a blank check made payable to II The United States of America II to uphold and defend our constitution, for an amount II up to and including my life. That is honor!!
