

Living the Union Difference – Or NOT???

If you're concerned about

- wage theft
- no compensation for holidays
- lack of overtime

You should ask: What can the TWU do for me?

To my future brothers and sisters:

- My union dues are only 7.70 per week
- Great health benefits • 11 holidays
- Top pay rate is over \$30/hour
- 40-hour-a-week paycheck
- 401 (k) contributions from the company

"...and, I will get paid for Thanksgiving and the day after Thanksgiving. I see the difference that TWU Local 100 made at the company I now work for. It was dramatic — a real improvement in our quality of life." — Al Trotman
