The Upward Advancement Program in construction and/or electrical trade is a career pathway. UAP signifies the success of a prior pledge to create an in-house occupational track that focuses on our non-skilled work force. UAP provides a career track for men and women to complete a fully accredited trade school for five days a week for six months at your full 40-Hour pay rate. Upon successfully completing the six month program, you will enter a 3-year apprenticeship program within Maintenance of way.

If you want to take advantage of this great educational program opportunity, go to the following website, www.twulocal100tuf.org where you can apply on-line.
