

# REPORT ON ELIGIBILITY – DELEGATES

Below is a report on the eligibility of all slates/candidates who accepted nomination as either a delegate or an alternate and submitted a ‘Convention Nominating Form’ with the Elections Committee. Pursuant to the TWU Local 100 2009 Election Rules members in continuous good standing could be nominated as Delegates or Alternate Delegates at their respective April Division Union meetings. Almost 400 members were duly nominated and most have opted to run with the Union-wide slates.

All candidates were checked for membership status. Good standing, the only requirement, is defined by the TWU Constitution Article 13, Section 3, as dues paid for twelve (12) months continuously, no later than the fifteenth of any month. All candidates disqualified (represented in this report with an asterisk \*) were notified and had the right to a review and hearing before the Elections Committee and an appeal to the Neutral Monitor. Any party who wishes to contest the determination of the neutral monitor has three days from this report to appeal to the TWU International Committee on Appeals.
