

Good Riddance Eric Adams, AKA Mayor Malfeasance

You have dishonored your word and commitment to the working men and women of the Transport Workers Union. You've proven yourself to be just another corrupt politician chasing relationships with NYC's monied elites, from the real-estate developers masquerading as animal rights activists (of which you're fully aware) to the snarky Cape Codders of the Central Park Conservancy. You've chosen sides, and it isn't with the blue-collar outer borough New Yorkers who supported you all these decades.

So we aren't sorry to see you getting chased out of NYC, you Judas Iscariot.
Last place for you seems appropriate, you BACKSTABBER.
