

YOUR GVS VISION BENEFITS

Your new benefit includes:

ANNUAL EYE EXAM

An annual exam performed by an optometrist. Our vision care eye determines your Rx, and assists in the detection of high blood pressure, diabetes, and retinal and corneal disorders. The exam also includes cataract and glaucoma screening (including air pressure test) and dilation, when professional indicated.

DESIGNER FRAMES

A collection of designer frames in various colors and sizes or a generous \$325 allowance toward non-collection frames.

HIGH QUALITY LENSES

Single vision, conventional bifocal and trifocal, standard progressive lenses, bluelight, and polycarbonate lenses for children 19 and under.

TINTS & COATINGS

Cosmetic & sunglass Rx tints, ultraviolet, scratch-resistant and anti-glare coatings(standard to premium).

CONTACT LENSES

One year supply of standard disposable contacts or a \$200 allowance for non-plan contacts.

Also, visit generalvision.com to easily check your eligibility, view your benefits and schedule an eye exam appointment at one of our convenient locations or call our **GVS Concierge Line** at **855.653.0584** for assistance.

Vision benefits will be effective 90 days after hire date.
