

Local 3 IBEW cable technicians at Charter/Spectrum Communications have been on strike since March.

Charter/Spectrum no longer wants to contribute to the workers' pension and medical plan, and has hired out of town scabs to take over the work.

**Join Local 3 IBEW members at picket locations across NYC to protest Charter/Spectrum's union busting!**

**Local 3**

For more information, contact Derek Jordan at 917-865-7311.
