TWU Local 100 takes pride in offering an internship opportunity exclusively for the sons and daughters of TWU Local 100 members in good standing.

Would you like to find out how a major labor union works, from the inside?

We Represent New York's Transit Workers – Buses, Subways, Tour Buses, and School Buses.

Interns will get hands on learning and experience of behind the scenes operations of one of the largest unions in New York City.

The internship lasts from June 17th through August 30th, 2024 and will be located at the TWU Local 100 Union Hall at 195 Montague Street in Brooklyn.
