### Injury on Duty (IOD) Information

With any Injury on Duty-related questions, please contact the IOD Unit at 718-694-5725 or email [SubwaysIOD@nycct.com](mailto:SubwaysIOD@nycct.com).

#### **Items to Note:**

**IOD Form:** The following are critical steps to perform when completing the IOD form.

- **Describe Injury:** detail the date, time and location of injury, how it occurred and the type of injury (page 1). When employees report an injury, management/supervision must give them an IOD package. Each injury, even if it is a recurrence to a prior injury, must be reported and new IOD documents must be submitted.
  - **Recurrences:** A recurrence is an injury that is experienced after the employee returns to work and is caused by or related to a previously reported IOD.

<b><u>Steps to Report Recurrences</u></b>	
1. Report Recurrence	Report injury as a recurrence to RCC, Emergency Response or MOW Control
2. Complete new IOD package	IOD form: Indicate date of recurrence injury and date of original/prior injury
	<b>Recurrence date &amp; original/prior injury date cannot be the same</b>
3. Describe Injury	Explain what employee was doing at the time of recurrence; not original injury
4. Scheduled Surgery	A. If surgery is required for IOD, submit new IOD package with medical forms and indicate surgery as a recurrence in advance.
	B. Same day employee goes out for surgery, management/supervision calls RCC, DCE Emergency Response, MOW Control to report surgery as a recurrence.
5. Recurrence at Work	If employee has recurrence at work, Management Follow-Up form is required
6. Recurrence at Home	If employee has recurrence at home, root cause for injury is "recurrence"

- **Injury Information:** If management/supervision does not observe the injury, s/he must describe what was told to them about how the injury occurred on the IOD form (page 3).
- **Fact-Finding:** If anyone observed, spoke with, or assisted the injured employee, management/supervision must list the names of those individuals on the IOD form (page 4).
- **Root Cause Analysis & Recommendations:** Management/supervision must identify root causes of injuries and give recommendations to prevent similar injuries on the IOD form (page 4). "Unsubstantiated" or "not witnessed" are not acceptable answers.
  - Root Cause Examples: Assault, Chemical Contact/Inhalation, Defective Equipment, Fatigue, Human Accident, Improper Procedure/Tools, Inattention, Inclement Weather, Lack of Maintenance/ Training, etc.
- **Differential Application:** All employees must sign & date Differential Application on the IOD form (page 2).
  - Only the employee can sign this section. If employee is unable to sign, s/he must submit a copy of the original IOD form with a signed Differential Application or report to the IOD Unit as soon as possible.
- **Waiver & Election:** Employees must indicate Waiver & Election preferences on the IOD form (page 2).
  - Employees may use accrued sick and/or vacation leave on the first day after the IOD for payment up to a maximum 20 days while Workers' Compensation claims are reviewed.
  - If employees request Waiver & Election payments, a Waiver & Election form must be submitted with the IOD form. Employees must check the box to indicate whether payments should be drawn from sick leave, vacation time or both.
  - Employees must submit medical documentation pursuant to Workers' Compensation Law and certify absences through the IOD medical form.

## **WORKERS' COMPENSATION INJURY/ILLNESS ON DUTY INSTRUCTION SHEET**

To avoid **DELAY** or **DENIAL** of **COMPENSATION, DIFFERENTIAL**  
or **ASSAULT** pay, the following procedures **MUST** be followed  
when claiming a job related injury.

1. **COMPLETE THE INJURY ON DUTY REPORT WITH DIFFERENTIAL APPLICATION IMMEDIATELY**  
Late filing may result in a DELAY in COMPENSATION PAYMENTS AND DENIAL of DIFFERENTIAL PAY.
2. **READ THOROUGHLY STATEMENT OF RIGHTS** published by the New York State Workers' Compensation Board.
3. **REQUEST FOR PAYMENT WHILE ABSENT DUE TO CLAIMED SERVICE-CONNECTED DISABILITY**  
If provided for in the relevant collective bargaining agreement, NYC Transit Authority employees, who are not receiving workers' compensation payments, may request to use his/her sick leave and/or vacation time beginning with the 1<sup>st</sup> day of absence by submitting the appropriate form. You should contact your supervisor and/or union representative if you have any questions about this process.
4. **YOUR OWN PRIVATE PHYSICIAN'S CARE:** Your physician must file a **C-4 OR C-48** form with the Authority's Workers' Compensation Division and the Workers' Compensation Board as soon as possible. Absent receipt of the C-4 or requisite, acceptable medical lines (these must include diagnosis, medical findings, not solely conclusions, and a work status – see form supplied by Supervisor) from your treating physician by the Workers' Compensation Division, your workers' compensation\* and differential benefits will not commence. Failure to submit medical documentation may result in your being considered absent without leave. Additional medical lines may be requested by the Workers' Compensation Division. All physician medical invoices are to be mailed to the Workers' Compensation address listed below.
5. **INDEPENDENT MEDICAL EXAMINATION (IME)**
  - **REPORT TO AUTHORITY IME PHYSICIAN AS DIRECTED BY** the mail notice you receive (by express and/or regular mail and possibly by hand). The notice will be received at least seven business days (excluding Saturday and Sunday) before the scheduled examination.
  - **IF YOU RETURN TO WORK PRIOR TO YOUR IME APPOINTMENT** you must report to the Safety Unit at 130 Livingston Street, 6<sup>th</sup> floor on your next scheduled work day, Sunday through Saturday, between 0800 -1600 hours, **IN FULL UNIFORM**. You must bring with you acceptable medical lines and a copy of your completed On the Job Injury form. The Safety Unit will inform you, based on the determination made by the Workers' Compensation Division if you must keep your scheduled IME appointment.
  - **A FAILURE TO REPORT TO THE MEDICAL IME EVALUATION** may result in a denial of workers' compensation\* or differential benefits. If you have returned to work prior to the scheduled IME examination, you should check to determine whether the examination is still required.
  - **IF UNABLE TO TRAVEL TO THE IME EVALUATION:** You must give your department and the Workers' Compensation Division at least two business days advance notice if you cannot go to the consultant physician on the scheduled date. If unable to attend the Medical IME Evaluation, you must call/fax the Medical Consultant Unit listed below for notification. You will be required to prove your inability to attend. Ask your physician to provide his/her written opinion of your inability to travel. Absent such proof, your differential benefits may be jeopardized and you may be considered AWOL. If requested by the employee, the Authority may, based upon the circumstances, arrange for a home or hospital visit for evaluation of your medical condition.

- **OBTAIN WORK STATUS FROM MEDICAL IME AND RETURN TO YOUR DEPARTMENT:** The IME Physician will give you a Medical IME Evaluation Form which will indicate your work status - Full Work, Restricted Duty or No Work. Unless you receive directions otherwise from your department, after you receive the Medical IME Evaluation Form return to ***Employee Availability, 130 Livingston Street, 6<sup>th</sup> floor, Monday through Friday***, the Form. Your department will determine whether work is available within the restrictions indicated by the Independent Medical Examination.

***\* Subject to review by the Workers' Compensation Board.***

- **IF YOU DISAGREE WITH THE WORK STATUS DETERMINATION:** Contact your Department for instructions. If your physician's opinion regarding your work status differs from the Authority's IME physician, medical evidence (with objective findings) should be submitted in writing for review to the Injury Reporting Unit of your department and the Workers' Compensation Division at the address stated below. If you dispute a full or restricted work status give by the IME and do not return to work, you may be denied workers compensation benefits and or differential benefits. If you are uncertain about how to proceed you are to contact your supervisor and/or Union Representative for clarification.
- **A COPY OF THE IME/MEDICAL REPORT** will be forwarded to you.
- **RE-EXAMINATIONS:** You must continue to report to the Authority's IME physician as noticed in subsequent mailed notification, as well as by hand delivery at the current medical examination. You are required to bring current reports from your doctor concerning your medical status.

## STATEMENT OF RIGHTS

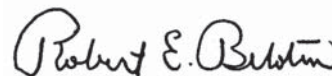

### TO ALL WORKERS WHO ARE INJURED WHILE WORKING OR WHO SUFFER FROM AN OCCUPATIONAL DISEASE YOU MAY BE ENTITLED TO WORKERS' COMPENSATION BENEFITS

1. You should file a claim for benefits within two years of the date you are injured, unless your injury is very minor, requiring no medical treatment and causing no lost time from work. If you do not file within two years your right to benefits may be lost. Obtain and file a claim form (Form C-3, or VF-3 for volunteer firefighters, or VAW-3 for volunteer ambulance workers) with the nearest Workers' Compensation Board office (see addresses below).
2. You may be entitled to lost time benefits if your work-related injury keeps you from work for more than seven days, compels you to work at lower wages or results in permanent disability to any part of your body. You may be entitled to rehabilitation services if you need help returning to work. (In volunteer firefighters' and volunteer ambulance workers' cases, compensation for lost time or loss of earning capacity may be payable from date of injury.)
3. You are entitled to obtain any necessary medical treatment related to your injury and you should do so immediately.
4. For the treatment of your work-related injury or illness, you may choose any physician, podiatrist, chiropractor, or psychologist (upon referral from an authorized physician) who is Board authorized and who is accepting workers' compensation patients. If, however, your employer is involved in a certified preferred provider organization (PPO) arrangement, you must obtain initial treatment for any workers' compensation injury or illness from the preferred provider organization. Employers participating in this statutory program are required to provide their employees with written notification describing their employees' rights and obligations under the program.
5. You should inform your doctor to file copies of medical reports concerning your claim with the Workers' Compensation Board and your employer's insurance company, which is indicated at the bottom of this form.
6. You should not pay any medical providers directly for treatment of your work-related injury or illness. They should send their bills to your employer's insurance carrier. If there is a dispute, the provider must wait until the Board makes a decision before it attempts to collect payment from you. If you do not pursue your claim or the Board rules that your injury is not work-related, you may be responsible for the payment of the bills.
7. The employer is liable for the replacement or repair of an employee's prosthesis (e.g., artificial members, false teeth, eyeglasses), which has been lost or damaged in the course of employment, whether or not there was bodily injury to the employee. You are also entitled to be reimbursed for drugs, crutches or any apparatus properly prescribed by your doctor, and transportation and other necessary expenses going to and from your doctor's office or hospital. (You should get receipts for all such expenses.)
8. You are entitled to be represented by an attorney or licensed representative, but it is not required. If you do hire an attorney or licensed representative, you should not pay him/her directly. Any fee will be set by the Board and will be deducted from your award.
9. Lost time and medical benefits are payable directly without a formal direction from the Board, unless your claim is disputed. If your claim is disputed on the grounds that your injury is not work-related or did not arise in the line of volunteer firefighter or ambulance worker duties, then you may qualify for disability benefits for non-work injuries. For more information on entitlement to disability benefits, contact the Workers' Compensation Board office nearest you.
10. You should go back to work as soon as you are able; compensation is never as high as your wage. If you need help returning to work, or with family or financial problems because of your injury, you should contact the nearest Board office and ask for a rehabilitation counselor or social worker.
11. Your employer may not ask you to waive your right to compensation nor may your employer deduct any money from your pay to contribute to the payment of workers' compensation insurance premiums. Further, you cannot be discharged or discriminated against because you filed a claim for workers' compensation benefits.

**IF YOU HAVE DIFFICULTY IN OBTAINING A CLAIM FORM OR NEED HELP IN FILLING IT OUT, OR IF YOU HAVE ANY OTHER QUESTIONS OR PROBLEMS ABOUT A JOB-RELATED INJURY OR DISEASE, CONTACT ANY OFFICE OF THE WORKERS' COMPENSATION BOARD.**

This information is a simplified presentation of your rights under the Workers' Compensation Law. It is provided, as required by Section 110 of the Workers' Compensation Law, by your employer's insurance carrier:

THE WORKERS' COMPENSATION BOARD EMPLOYS AND SERVES PEOPLE WITH DISABILITIES WITHOUT DISCRIMINATION.

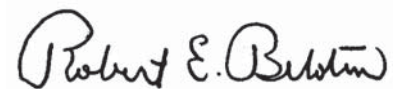

**A TODO EMPLEADO LESIONADO EN EL TRABAJO O QUE SUFRA DE ENFERMEDAD OCUPACIONAL:  
USTED PUEDE TENER DERECHO A BENEFICIOS DE COMPENSACION OBRERA**

1. Usted deberá presentar una reclamación de beneficios dentro del término de dos años del día en que fue lesionado, a menos que la lesión sea tan pequeña que no requiera tratamiento médico y que no cause interrupción en su jornada de trabajo. Si no radica dentro del término de dos años, puede perder sus derechos a beneficios. Consiga y radique una forma de reclamación (Forma C-3, o VF-3 para bomberos voluntarios, o VAW-3 para empleados voluntarios de ambulancias) en la oficina más cercana de la Junta de Compensación Obrera (direcciones más abajo).
2. Usted tiene derecho a compensación si su lesión relacionada con el trabajo le impide trabajar por más de siete días, le obliga a trabajar a sueldo más bajo ó resulta en incapacidad permanente de cualquier parte de su cuerpo. Usted puede tener derecho a servicios de rehabilitación si necesita ayuda para regresar al trabajo. (Bomberos voluntarios y Trabajadores de Ambulancia Voluntarios pueden ser compensados desde el mismo día de su lesión.)
3. Usted tiene derecho a recibir tratamiento médico relacionado con su lesión y debe obtenerlo inmediatamente.
4. Para el tratamiento de cualquier lesión o enfermedad relacionada con el trabajo, usted puede escoger cualquier médico, podiatra, quiropráctico ó psicólogo (si es referido por un médico autorizado) que esté autorizado y acepte pacientes de la Junta de Compensación Obrera. Sin embargo, si su patrono está autorizado a participar en una organización certificada de proveedores preferidos (PPO), usted deberá obtener tratamiento inicial para cualquier lesión o enfermedad relacionada con el trabajo de la correspondiente entidad. Patronos que participen en esta programa establecida por ley están obligados a proveer a sus empleados notificación escrita explicando sus derechos y obligaciones bajo el programa a que esté acogido.
5. Usted deberá requerir de su Médico que radique copias de los informes médicos de su caso en la Junta de Compensación Obrera y en la compañía de seguros de su patrono, que se indica al final de esta forma.
6. No pague a ningún proveedor médico directamente por tratamiento de su lesión o enfermedad relacionada con el trabajo. Ellos deben enviar sus facturas al asegurador de su patrono. Si el caso es cuestionado, el proveedor deberá esperar hasta que la Junta decida el caso, antes de iniciar gestión de cobro alguna contra usted. Si usted no tramita su caso ó la Junta falla que su lesión o enfermedad no está relacionada con el trabajo, usted podría ser responsable del pago de las facturas.
7. El patrono es responsable de la sustitución y reparación de aquellos implementos médicos que han sido perdidos o se han deteriorado como consecuencia del empleo, sin que importe el que el empleado haya onosufrido lesión (Ej. miembros artificiales, dentadura postiza, espejuelos). Usted también tiene derecho a ser reembolsado por medicinas, muletas, o cualquier otro implemento debidamente recetado por su médico y por transportación u otro gasto necesario para ir al médico ó al hospital. (Obtenga recibos para justificar gastos.)
8. No es obligatorio el estar representado en ninguno de los procedimientos de la Junta, pero es un derecho que usted tiene, el estar representado por abogado ó por representante licenciado si usted así lo desea. Si es representado, no pague al abogado ó al representante licenciado. Cuando la Junta decida su caso, los honorarios serán determinados por la Junta y descontados de sus beneficios.
9. La compensación se paga inmediatamente, sin esperar por la adjudicación del caso, excepto cuando la reclamación es cuestionada. Si la reclamación es cuestionada en base a que la incapacidad no fue causada por un accidente relacionado con su trabajo ó por una enfermedad ocupacional ó por una lesión en el cumplimiento de su deber como bombero voluntario ó como miembro voluntario del cuerpo de ambulancia, usted puede tener derecho a recibir beneficios por incapacidad (para lesiones fuera del trabajo). Si su reclamación es cuestionada y no está recibiendo beneficios por incapacidad, comuníquese con cualquier oficina de la Junta.
10. Regrese a su trabajo tan pronto pueda. La compensación nunca es tan alta como su sueldo. Si necesita ayuda para regresar al trabajo ó para resolver problemas financieros ó personales por causa de la lesión sufrida, comuníquese con la oficina más cercana de la Junta y solicite hablar con un trabajador social o con un consejero de rehabilitación.
11. Su patrono no puede solicitar que usted le releve de su derecho a compensación, ni puede descontar cantidad alguna de su paga para contribuir al pago de las primas del seguro. Usted no podrá ser despedido ni penalizado por radicar una reclamación en la Junta.

SI TIENE DIFICULTAD EN CONSEGUIR UN FORMULARIO DE RECLAMACIÓN O NECESITA AYUDA PARA LLENARLO Ó TIENE DUDAS SOBRE CUALQUIER SITUACIÓN RELACIONADA CON UNA LESIÓN O ENFERMEDAD COMUNIQUESE CON LA OFICINA MÁS CERCANA DE LA JUNTA.

Este resumen es una compilación de los puntos más importantes de sus derechos bajo la ley de compensación obrera. La sección 110 de la ley requiere de su patrono ofrecerle esta información.

# Doctor's Initial Report

State of New York - Workers' Compensation Board

C-4

Use this form to report the *first* time you treated the patient. (To report continued treatment, use Form C-4.2. To report permanent impairment, use Form C-4.3.)

Please answer all questions completely, attaching extra pages if necessary, and submit promptly to the Board, the insurance carrier and to the patient's attorney or licensed representative, if he/she has one; if not, send a copy to the patient. Failure to do so may delay the payment of necessary treatment, prevent the timely payment of wage loss benefits to the injured worker, create the necessity for testimony, and jeopardize your Board authorization. You may also fill out this form online at [www.wcb.state.ny.us](http://www.wcb.state.ny.us).

STATE OF NEW YORK  
WORKERS' COMPENSATION BOARD  
100 BROADWAY-MENANDS  
ALBANY, NY 12241  
(877) 632-4996

## You were injured at work. What now?

The New York State Workers' Compensation Board has received notice you suffered a workplace injury or illness, so we're preparing a workers' compensation case in your name. You may have already received medical treatment. If you haven't, you should seek medical care as soon as possible.

### A Worker's Responsibilities

- You must tell your employer, in writing, when, where and how you were injured. Do this within 30 days of injury.
- *Medical reports are necessary for your case.* Advise your doctors that you have a work-related injury, and give the name of your employer. Do not pay for your care yourself or use other health insurance. Tell your doctor to file reports with the Board and with your employer or its insurance carrier. If your case is disputed, the Board needs a medical report on your injury to begin resolving your claim.

### Starting a Case

Once your employer knows of your injury, it must notify this Board by filing a C-2 form. *You should file an employee claim (C-3 form) reporting your injury as soon as possible.* (You **must** notify the Board of your injury or illness within two years.) If you injured the same body part before, or had a similar illness, you must also file a Form C-3.3.

If you haven't already filed a C-3 or C-3.3 (if necessary), there are three ways to do it.

- Visit [www.wcb.state.ny.us/content/main/onthefjob/howto.jsp](http://www.wcb.state.ny.us/content/main/onthefjob/howto.jsp) to complete the form.
- Complete the enclosed paper forms, and mail them to the Board.
- Call 1-866-396-8314. A Board employee will complete the form with you.

### Health Care Bills

**Do not** pay your doctor or hospital. Those bills are paid by the insurer unless the Board disallows your case. If your case is disputed, the providers are paid when the Board decides your case. If the Board decides against you, or if *you don't pursue a case, you will have to pay the doctor or hospital.*

Your employer's insurance covers medically necessary drugs and equipment your doctor prescribes. You're also entitled to carfare or necessary expenses incurred when traveling for treatment. (Get receipts for those expenses.)

Generally, you can choose any doctor authorized by the Board. You can also use occupational health clinics. However, if your employer's insurer has a preferred provider organization to provide care for workers' compensation injuries, you must get your initial treatment from those providers. If that insurer also has a pharmacy or diagnostic network, you must get service within these networks. If the carrier uses these networks, it must also tell you its service providers and how to use them.

### **Benefits for Lost Wages**

You are entitled to a portion of your lost wages if your injury affects you in one or more ways:

1. It keeps you from work for more than seven days;
2. Part of your body is permanently disabled;
3. Your pay is reduced because you now work fewer hours or do other work.

An employer or insurer can accept your claim and begin paying your lost wage benefit promptly. Sometimes, employers and carriers dispute a claim. When that occurs, the Board strives to resolve most cases within 90 days.

You may hire an attorney or licensed representative, who can be helpful with complex or disputed claims, but it isn't required. The Board sets their fees and they will be deducted from your lost wages award. You or your family should not pay anything directly to your attorney or licensed representative.

If your case is disputed, you may receive disability benefits while the case is heard. You'd pay them back out of your lost wages award. To get a DB-450 form, visit [www.wcb.state.ny.us/content/main/forms/db450.pdf](http://www.wcb.state.ny.us/content/main/forms/db450.pdf) or a Board office, or call (800) 353-3092.

### **Help is Available**

People sometimes need help getting back to work. Your employer may have a *return to work* program that can get you back to work in light duty or an alternative position while you heal. An injury can also cause family or financial problems. The Workers' Compensation Board has rehabilitation counselors and social workers to help. Call (877) 632-4996 for more assistance.

### **What's Next?**

Your employer or its insurance carrier will contact you if your claim is accepted. When that happens, your treatment will be paid and lost wage benefits begin. If your case is challenged, the Board will notify you about resolving the case. If more information is necessary, the Board will contact you and tell you how to file it.

If you need help in completing this form, telephone or visit the nearest Workers' Compensation Board Office listed below.
5. Go to all hearings when notified to appear.
6. Go back to work as soon as you are able; compensation is never as high as your wage.

### **Your Rights:**

1. Generally, you are entitled to be treated by a doctor of your choice, provided he/she is authorized by the Board. If your employer is involved in a preferred provider organization (PPO) arrangement, you must obtain initial treatment from the preferred provider organization which has been designated to provide health care services for workers' compensation injuries.
2. DO NOT pay your doctor or hospital. Their bills will be paid by the insurance carrier if your case is not disputed. If your case is disputed, the doctor or hospital must wait for payment until the Board decides your case. In the event you fail to prosecute your case or the Board decides against you, you will have to pay the doctor or hospital.
3. You are also entitled to be reimbursed for drugs, crutches, or any apparatus properly prescribed by your doctor and for carfares or other necessary expenses going to and from your doctor's office or the hospital. (Get receipts for such expenses.)
4. You are entitled to compensation if your injury keeps you from work for more than seven days, compels you to work at lower wages, or results in permanent disability to any part of your body.
5. Compensation is payable directly and without waiting for an award, except when the claim is disputed.
6. Injured workers or dependents of deceased workers may represent themselves in matters before the Board or may retain an attorney or licensed representative to represent them. If an attorney or licensed representative is retained, his/her fee for legal services will be reviewed by the Board and if approved will be paid by the employer or insurance company out of any compensation benefits due. Injured workers or dependents of deceased workers should not directly pay anything to the attorney or licensed representative representing them in a compensation case.
7. If you need help returning to work, or with family or financial problems because of your injury, contact the Workers' Compensation Board office nearest you and ask for a rehabilitation counselor or social worker.
