It's Our Work, No Matter What!

MTA Wants Corporate Sponsors for Subway Stations

The MTA has a plan to seek corporate sponsorship of subway stations.

Regardless of the MTA's funding source, TWU Local 100 members will continue to do the work of cleaning and maintaining subway stations.

Our work is contractually protected. Contract arbitrators have recognized and upheld this protection.

We are strong and growing, and this plan doesn't change our status one iota.

In Solidarity,

John Samuels
