

TWU LOCAL 100 COMMEMORATES JUNETEENTH 2025

JUNETEENTH

18

65

This is a day to celebrate the emancipation of slaves in the United States, the victories of the Civil Rights movement, and the march towards a more perfect union.

This also is a day to reflect on the evils of racism, to denounce bigotry in all its forms, and to recommit ourselves to the ongoing struggle for equality, both in the workplace and in our communities.

TWU Local 100 represents 46,000 workers in the transportation and tourism industries. We operate and maintain the bus and subway system in New York City. We also provide Liberty Lines bus service in Westchester County; student transportation in the metropolitan area, double-decker bus tours in cities across the country; ferry trips along the Hudson River; and historic horse-carriage rides in Central Park. **We move New York.**
