

In the spirit of The Rev. Dr. Martin Luther King Jr, we are making this

# CALL TO ACTION!

Our communities needs safe, affordable and reliable mass transit. This is how our families and neighbors get to work, school and church.

**This vital public service, however, is being destroyed by Miami-Dade Mayor Carlos Gimenez. He is:**

- Starving the system of essential funding.
- Reducing the frequency of buses and trains.
- Depriving our congregants of the transportation they need in their daily lives.
- Eliminating good union jobs as bus operators and mechanics, which for generations have been an essential ladder to the middle class.
- Giving public bus routes to an unaccountable private contractor who pays poverty wages without pensions or other benefits.

Concerned members of the Clergy will gather with Transport Workers Union Local 291 on March 1 at the Greater Bethel A.M.E. Church to discuss the mass transit crisis.

**We must organize, energize and galvanize the people of Miami-Dade.  
We must demand better from our elected officials.**

**Please join us.**
