SPECIAL UPDATE FROM THE TWU Local 100 Retirees Association

QUESTIONS ON YOUR MEDICAL COVERAGE?

**CALL THE
MEDICAL CONCIERGE DESK AT THE
TWU LOCAL 100 RETIREES ASSOCIATION**

Dear Fellow Retirees:

With the transition from Traditional Medicare to Medicare Advantage Option 1 or Option 2, we have had our share of challenges. However, with the development of the TWU Local 100 Retirees Association's **Medical Concierge Desk**, we now are able to handle your questions and concerns on any and all medical issues.

We have been able to assist many retirees and doctor's offices work through the process. It has been working, and working well. To date, we are getting fewer calls relating to any outstanding issues. Contact the Retirees Association at 212-873-6000, Ext. 2077 or 2210 at any time with any of your medical issues.

**THOSE CLAIMING THAT OUR BENEFITS
HAVE BEEN REDUCED ARE WRONG!**

We have received calls from retirees saying that they received a Robocall from someone claiming to be from TWU stating that our medical plans have been diminished, or even worse, that retirees no longer have medical coverage.

This obviously is not true. Retirees continue to have medical coverage, and yes, it is a top-tier medical plan. ***For the record, TWU Local 100 and The TWU Local 100 Retirees Association do not make Robocalls.***

Lastly, putting issues on social media can cause confusion not only for yourself but others, as well. Again, we need to say that the TWU Local 100 Retirees Association is NOT AFFILIATED with the TWU100R Group and WE ARE NOT not asking for any donations of any kind.
