FIVE SESSIONS STORY

"Five Sessions" follows a 24-year-old Caucasian female, **Columbia University** graduate and therapist, in her very first client, a blue-collar activist and suicidal working class/union man in his mid-50s, upon five sessions to confront his issues of exploitation and discrimination. Through the tensions of race, political correctness, socio-economic differences, and passion, we watch the two characters explore each other's personal struggles as they fight to understand each other.
