

# TWU of America

is hosting an on-line meeting  
with Senate Majority Leader  
**CHUCK SCHUMER**  
FOR TWU MEMBERS ONLY.

**Friday, January 29**  
**at 3:15pm**

**TWU Local 100 is asking all available members to “attend”  
this virtual meeting Friday at 3:15 p.m.  
Simply go to [twulocal100.org](https://www.twulocal100.org)  
(Click on the link in Sen. Schumer article at the top of the page.)  
The pass code is: CES2022!**

A big turnout will help ensure that Sen. Schumer keeps fighting for transit funding and transit workers. Sen. Schumer was instrumental in securing the \$4 billion bailout for the MTA in December. He will discuss the recently passed emergency response legislation, the pandemic and other issues.

Think of this as an on-line rally. Let's make our presence known. Every group in America wants Schumer's ear now that he is Senate Majority Leader. Show Schumer that TWU truly is **“America's Fighting Democratic Union.”**

If you would like to submit a question for the Senator in advance, please email your question to [ZTatz@twu.org](mailto:ZTatz@twu.org)
