By Mail*: *PICK SELECTION FORM

The Pick Selection Form must be used for all written job selections and be sent to the office of "Job Selection Programs and Picks", 130 Livingston Street, 6th Floor; Brooklyn, NY 11201. Mark envelopes **"Attention: Pick Selection Form Enclosed."**

All selections by mail must be on an original Pick Selection Form (example attached) and completely filled out to be accepted. All Pick Selection Forms must contain your name, pass number and seniority number. All pages with selections must be signed. Selections submitted on unsigned or photocopied forms or transmitted by fax or e-mail will not be accepted. Unsigned forms will be voided. Pick Selection Forms will be available at the Pick Room, MTA Today-NYCT, Quay Street Mobile Wash Depot and at all District Field Offices.

In Person: The attached schedule lists the dates and reporting times for Station Cleaners to attend the Pick. Once the Pick starts, you will be allowed to enter the Pick Room no earlier than hour before your scheduled pick time. Only NYCT personnel will be allowed to enter the Pick Room**.**

If you pick in person, you will receive a time-stamped receipt of your selection as proof that you attended the Pick. You must safeguard this receipt. Duplicates of this receipt will not be issued.

Pick Relief Sheets: Employees scheduled to pick during their tour of duty ***must call their District Field Offices*** 24 hours prior to their scheduled pick times for notification.

A TWU representative may be present in the Pick Room during the 2027 Winter Pick and can be reached via telephone at (212) 424-4309.

ASSIGNMENTS

Restricted Duty: The Stations Cleaners' 2027 Winter Tour Book includes forty (40) Restricted Duty assignments. If you pick a Restricted Duty assignment, you may be replaced by a Restricted Duty employee. If you are replaced, you will be bumped to the Extra List with the same tour and RDOs.

Driver's or Commercial Driver's License (CDL): For jobs that require a Driver's License or CDL, you must have a valid Driver's License or CDL (with proper endorsement) in your possession at the time you pick. If you are prohibited from working in "*Safety Sensitive*" positions, you are not eligible to pick CDL jobs. If you pick a CDL "*Safety Sensitive*" job, you are subject to random drug testing.

If you participate in the Pick by telephone or by written selection via mail and you pick jobs which require a Driver's License or CDL, you must bring your valid Driver's License or CDL with proper endorsement to the Pick Room before your scheduled pick time so a copy of your license will be on file. Employees with non-New York State Driver's Licenses or CDLs must bring proof from the state's DMV that their licenses are valid prior to picking their jobs.

OPTO: If you select Refuse jobs identified as OPTO (One Person Train Operation), you will be responsible for the safe operation of the refuse train doors. Cleaners in OPTO jobs receive an additional seventy-five cents ($0.75) per hour in premium pay.

Red-lined (Union Release): Jobs picked by employees on full-time paid **Union Release** to perform labor management duties are red-lined. If you pick a red-lined job, you will be subject to being bumped into the Extra List in the event the released employee who selected the job returns to regular work before the next Pick.

Red-lined (Long Term Absence): Jobs picked by employees on **Long Term Absence** (30 days or more) are red-lined. If you pick a red-lined job, you will be bumped into the Extra List in the event the employee out on extended absence returns to work.

Open Job Bids: Two Open Job Bids are published each pick. Open Job Bid #1 is open to all Station Cleaners. Open Job Bid #2 is open to those Station Cleaners who were not awarded a job on Open Job Bid #1. **You may only bid on jobs that you could not have picked at the 2027 Winter Pick.**

Troubleshooting

1. I received an error for "Invalid Username and password."
   - Ensure you are using the provided username and password.
   - Ensure password is typed in lower case.

2. Can I manually refresh the data?
   - Yes, by clicking on the "Reload this page" icon at top of the browser. However, if no one has picked during that time, there may not be any new information to be displayed.

3. The website did not load or does not look like it loaded properly.
   - Ensure you are using Google Chrome instead of Internet Explorer (IE).
   - Ensure you are using the right link. There are separate links if you are using MTA WiFi/network or using your own mobile carrier's network.

4. In some columns, I am unable to see all the details of the job.
   - These displays are better suited if viewed as a full-screen (desktop).

5. I am unable to find a job listed in the work program in the available/picked jobs screen.
   - If searching in the available jobs screen, the job may have already been selected. Try searching in the picked job screen.
   - If searching in the picked jobs screen, the job may still be available. Try searching in the available job screen.

6. I don't see all the job notes associated with the job such as the stations it covers.
   - Refer to the posted Work Program to see additional details for the job.

7. When I turn my phone sideways to landscape mode, I can't scroll to see the jobs available or picked.
   - Due to the amount of job details, the website if viewed on a mobile device, is best in portrait mode.

8. I entered the username and password but my screen remained on the login screen and is glitching/blinking.
   - You may already have an active session in a different screen. Close the window and any other active sessions and try again.
   - If issue persists, clear your browser history (remove cookies and cache) in your browser's settings, close browser window, and try again.
