

A DAY OF ACTION ON THE 50TH ANNIVERSARY OF THE VOTING RIGHTS ACT!

EVERY VOTE COUNTS

**Join us as we urge our elected leaders:
DON'T JUST COMMEMORATE - LEGISLATE!**

Congress passed the Voting Rights Act 50 years ago to guarantee every American could cast a ballot free of discrimination. But the U.S. Supreme Court gutted this core law in 2013, and today, New Yorkers' votes are not protected. Make every vote count in the 2016 presidential election by demanding that Congress restore and strengthen the Voting Rights Act.
