

MTA SAYS WAGE FREEZE!

MTA Chairman Pat Foye and NYC Transit President Sarah Feinberg call us heroes. Now, they want to freeze our wages.

THEY MUST BE OUT OF THEIR MINDS!

We have a contract.

We expect that contract to be honored.

A DEAL IS A DEAL!

We have more than earned the 2.5 percent raise that is scheduled for May 16, 2021.

We will fight their outrageous assault on our wages in arbitration, the courts, bus depots, rail yards, shops, stations – and the streets if necessary.

Scan this QR code. It takes you to the MTA page where you can send a message to the MTA board.

TELL THEM IT'S NOT OK TO FREEZE OUR WAGES.
