

FOR OUR TWU LOCAL 100

Widows and Orphans

1/11/11

at Bridgewater's

Save the Date – Tickets are Still Available

One-eleven-eleven is the date for our annual TWU Local 100 Widows and Orphans Fund charity event. Held at Bridgewater's, 11 Fulton Street at the South Street Seaport, this fundraiser provides the bulk of our yearly contribution to the welfare of spouses and children who lost a TWU breadwinner to a fatal on-the-job accident.

Recognizing that safety on the job is our number one priority is not enough. We must also provide for those who are left behind – when other sources of money do not go far enough. In particular, the Fund is targeted to help with medical expenses and to support a college education for the children of Local 100 members who died on the job.

There are still tickets available for the event. For more information call 646-765-2483.
